Facilities/Laundry Process

HIGH-TECH LAUNDRY PROCESSES FOR HIGH-TECH BUSINESSES

When you work in a controlled environment, you can't trust just anyone. But you can trust AlSCO—one of the most experienced and trusted cleanroom operators worldwide. After more than a century in the laundry business and more than fifty years working with controlled environment garments, we have more years of experience than anyone else in the business.

- State-of-the-art facilities with high tech equipment
- Ultra-pure water systems designed to provide consistent quality
- High-tech systems to monitor particle concentrations
- ISO Class 3 Cleanrooms
- Technical expertise and training
- Rigid quality control protocols

FROM START TO FINISH...IT IS ABOUT QUALITY

We understand consistent quality is critical. From the moment we pick up your garments to the moment we return them cleaned and specially packaged, we have strict quality controls in place to ensure your cleanroom garments meet or exceed regulations.

- Particle testing on garments or fabrics
- Surface resistivity testing
- burden testing
- Microscopic examination/evaluation
- Quarterly dose audits
- ISO 9001-2000 Certification

Cleanroom Products

PROFESSIONAL, PERSONALIZED AND PRECISE CLEANROOM GARMENTS TAILORED TO MEET YOUR DEMANDS

AlSCO offers a diverse state-of-the-art product line to meet all our customers' individual needs. We are committed to providing our customers a complete and personalized business analysis to ensure a cleanroom program tailored specifically to your requirements.

We understand that maintaining an ultra-clean environment is about more than just supplying cleanroom garments. AlSCO will partner with you to develop a comprehensive service program that includes:

ONE STOP SHOPPING FOR ALL YOUR CLEANROOM NEEDS.

- Cleanroom Garments – sterile and non-sterile garments as well as custom garments for your specific applications
- Cleanroom Accessories – masks, caps, sticky mats, machine covers, and more
- Wipers and Swaps
- Cleanroom Paper and Supplies
- Tyvek Garments – all items available pre-cleaned or bulk-packed
- Gloves – latex, nylon, water handlers, and more
